

Redlands

Winemakers: John Worontschak and Matthieu Elzinga

Tasting notes:

Crimson red in colour, on the nose this wine has notes of strawberry and raspberry with a hint of vanilla. Loaded with ripe red berry fruits, the medium-bodied, dry palate is smooth and rich with a velvety texture.

Food matches:

- Roasted red meats
- Grilled vegetables with garden herbs
- English cheeses

Composition:

A blend of red varieties from the Denbies vineyard.

Vineyard:

A later start to the 2015 harvest meant that the vineyard could fully benefit from the early autumn sun. Excellent quality fruit was produced in this vintage.

Winemaking:

The varieties were picked and harvested separately. 30% of the wine was aged to oak, with the balance in stainless steel to maintain a fruit forward style.

Technical information:

11.5% vol 75cl

Residual Sugar 6.7g/l
